Happy Valentines Day!

Valentine's Gift Baskets

Available for ordering

If you would like to give someone special a handmade gift, Care Bars gift baskets are a great solution. You name the price and the scent and I'd be happy to put together a beautifully decorated gift basket for you.

Wishing you a February full of warmth and love!

Citrus Scent

In cold process

Over the holidays I made a citrus scent as a melt and pour soap. The scent was a hit. Because I prefer the moisturizing aspects of the cold process soap, I have made a batch of citrus using the same recipe as the other Care Bar soaps. I hope to have this soap as a regular offering.

Citrus Care Bars are now available to order at the new price of \$4.00 / bar.

Custom orders

You are entitled to your own signature soap

If you have a scent that you would like to have as a Care Bars soap, now you can. Simply let me know what scent you would like and I will make a full batch of soap just for you. There are 13 bars to a batch. I will need a minimum of one month notice to make the soap and allow three weeks to cure properly. If you have any additional ingredients you would like in your soap, please let me know. I will do my best to customize a soap that fits your needs and skin type.

Price: \$48(+ PST) for the full batch, unlabelled (13 bars of soap). Regular price is \$52(+ PST). If you would like each bar labeled, the batch will cost the regular price.

Price Increase

Now in effect

As of February 1, 2010, Care Bars are now \$4.00 each plus PST. All other prices remain the same.
